Guidance

Guidance Note No.1

A contract is normally written and includes any agreement or arrangement for the supply of goods or services or for undertaking any work for your Parish Council.

Guidance Note No.2

"remunerated" means that you receive payment, services, goods or other benefits from the company other than authorised expenses.

Guidance Note No.3

If you own shares or other form of equity in a company or other body which has a place of business within the authority's area, you will need to consider whether the interest is to be included. Identify the nominal value; this is the amount of shares indicated on the certificate; not the market value. If this exceeds £25,000, you need to register the name of the company or body. If this is less than £25,000 but your holding is more than 1% of the total issued share capital, you need to register the name of the company or body.

Guidance Note No.4

Please provide details of any land in the South Cambridgeshire district in which you have a beneficial interest (that is, in which you have some proprietary interest for your own benefit). You should give the address or a brief description to identify it. You should include your home under this heading as owner, lessee or tenant. This includes joint owners, lessees or tenants. This would also include South Cambridgeshire District Council tenancies. You should also include any property from which you receive rent, or of which you are a mortgagee. "Land" includes any buildings or parts of buildings.

Guidance Note No.5

This includes grazing agreements, allotments, garage licences and other short term arrangements to use your authority's land or property.

Guidance Note No.6

Include statutory boards (e.g. Police, fire and transport), school governing bodies, housing trusts, local organisations, charities, local authority associates, etc.

Guidance Note No.7

Include statutory consumer bodies and health authority bodies.

Guidance Note No.8

Include charities of which you are a member (e.g. RSPCA, NSPCC, etc) Membership of a charity would include where you pay a membership fee, or have voting rights at a meeting of the charity, or your receive a regular newsletter or other publication.

Guidance Note No.9

Include political parties, lobby groups and pressure groups.

Guidance Note No.10

Include all trade unions and professional associations of which you are a member.

Guidance Note No.11

Include the name of the political party and any other person paying any expenses incurred by you in carrying out your duties (e.g. travel expenses received from other bodies, such as local authority associations)
